

Appendix C

STORMWATER ENGINEERING DIVISION POLICIES

	<u>Pages</u>
Policy 01: Access Control for Traffic and Driveways	18
Policy 02: Covenants for Permanent Maintenance of Stormwater Facilities (CPMSF)	5
Policy 03: Creek Restoration and Channel Maintenance	1
Policy 04: Drainage Easements	1
Policy 05: Easements for Stormwater Control and Water Quality Facilities	3
Policy 06: Maintenance Access for Stormwater Management Facilities	1
Policy 07: Maintenance Responsibility for Stormwater Drainage Systems	4
Policy 08: Partial Plats	3
Policy 09: Performance and Indemnity Agreements (Bonds)	6
Policy 10: Retaining Walls	2
Policy 11: Sediment Disposal for Detention Basin Maintenance	2
Policy 12: Sinkhole Development	4
(Policy 13) <u><i>(Withdrawn May 2004)</i></u> (Sixty-Day Letter)	---
Policy 14: Stormwater Enforcement Guidelines	3
Policy 15: Stormwater Message for Curb Irons and Manhole Lids	1
Policy 16: Stormwater Pipe Materials	2
Policy 17: Survey Control System Requirements	2
Policy 18: Underground Stormwater Facility Maintenance	2
Policy 19: Underground Stormwater Facility Recordkeeping and Reporting	1
Policy 20: No-Rise Certification for Floodway Encroachment	6
Policy 21: No-Fill Line	5
(Policy 22) <u><i>(Withdrawn February 2013)</i></u> (Stream Buffer Zone (Restricted-Use))	---
Policy 23: List of Studied Streams	3
Policy 24: Appealed Concept or Use-On-Review Plan	1
Policy 25: Post-Construction Water Quality Control for Proprietary Flow-Through Best	5
25 List A: Sizing Guidelines	5
Policy 26: Utility Construction and Maintenance	119
Policy 27: Qualified Local Program Construction General Permit	56
Policy 28: Utility Access Driveways	2

An additional document, the Construction Area Traffic Control Policy, is not included in this appendix. It is maintained by the Civil Engineering Division as the City of Knoxville Technical Specification TS-34, and is also available by accessing the Civil Engineering Division webpage.
