

# Millertown Pike Roadway Improvements Project

**Project Description:** This project consists of widening Millertown Pike to a 3-lane section from Kinzel Way to Loves Creek Road. The new roadway cross section will accommodate three 12 foot wide lanes with one of them being a two-way left turn lane. The project will include curb and gutter, a sidewalk along the west side, extension of the existing bridge to provide shoulders, improvements to the bridge rail and installation of guard rail along Millertown Pike near Loves Creek.

**Millertown Pike  
(During Construction - Looking Northeast)**
